HOW WE WORK

Our 4-step process is very simple and efficient

Step 1 - Budget

You send us details of your property and budget you have in mind, what your objective is (rental, resale or your own home), and any specific requirements you have.

Step 2 – Site Visit & Conceptual Artwork

We send our interior designers to visit and measure your property and then send you a plan and design proposal.

Step 3 – Confirmation & Magical Process

Once you are happy with our design we'll send you quotation with a request for full payment. We will then confirm your order with 30-45days to delivery.

Step 4 – Photographs

Your property is photographed and sent to you to keep a helpful record.
